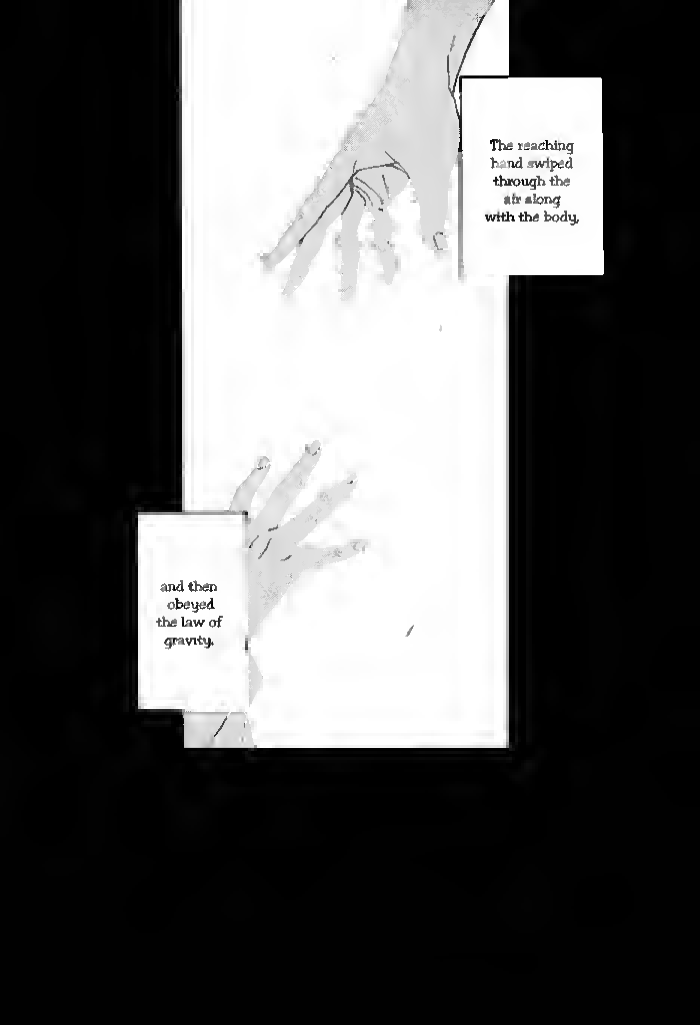
Dangerous pleasure scanlation group

For Roku, there is the near-death experience from the accident...
...and the emotional trauma of Kel's death.
Post Traumatic Stress Disorder... PTSD.
Flashbacks, hallucinations, hearing voices; this can lead to self-mutilation and destructive behavior
Hey, Roku,
do you think I'm going crazy?

...I went crazy a long time ago...
Then I guess
The sky

Maddeningly red.
A red sky...



The reaching hand swiped through the air along with the body,
and then obeyed the law of gravity.

Embrace the sky and sleep

I knew nothing about it and called it "Madder Suicide."
I wonder what he thought of it?

THAT'S PROBABLY WHY THERE ARE PEOPLE LIKE YOU WHO KNOW NOTHING ABOUT IT.

ESPECIALLY IN THE 10TH AND 11TH GRADES

I BET THERE ARE SOME WHO'VE NEVER EVEN HEARD ABOUT THE ACCIDENT
